The Liturgical Calendar

October is one of the months set aside in the Church Calendar to say special prayers to Our Mother, Mary. A series of important saint feast days are celebrated as we move towards the Feasts of All Saints and All Souls at the beginning of November.

Reminders:

Submit your Pizza Order Envelopes!
October is International Walk to School Month!

Compassion

Definition: Compassion is seeking to understand others by listening. Those who are compassionate are willing to forgive others and give to those in need.

Parents, discuss with your child the definition of compassion. Remind your child of the importance of forgiveness and the value of being charitable towards others.
